For Your Records,

The rudders that were supplied with all Turbine Cubs of Wyoming and Backcountry Super Cub Kits, including all serial numbers and all years from 2006-present, were made out of 4130N Chromoly Tubing and are not effected by AD# 2025-02-11.

A handwritten signature in black ink that reads "Bruce F. Reed". The signature is written in a cursive style with a horizontal line underneath it.

Bruce F. Reed
